

THE SCHOOL OF MEDICINE AT THE UNIVERSITY OF CALIFORNIA RIVERSIDE

Timothy P. White
Chancellor

September 23, 2008

Mission

To improve the health of the people of California and, especially, to serve Inland Southern California by training a diverse workforce of physicians and by developing innovative research and health care delivery programs that will improve the health of the medically underserved in the region and become models to be emulated throughout the state and nation.

Regional Health

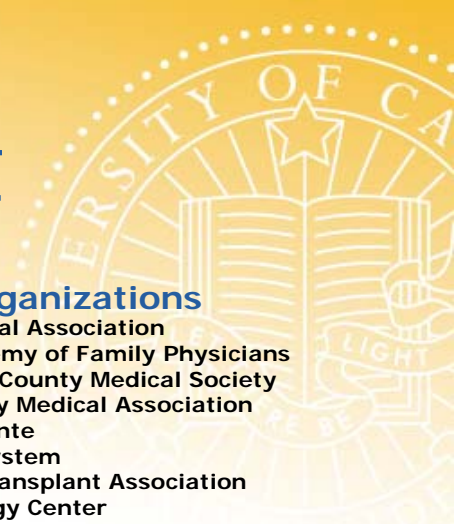

- Coronary heart disease:
Riverside County 53rd and San Bernardino County 56th
- Diabetes:
San Bernardino County 49th and Imperial County 52nd
- Tuberculosis:
Imperial County 58th
- Infant Mortality:
San Bernardino County 51st

Why Now?

- Physician Crisis:
 - 113.8/100K in Inland Southern California
 - 209.0/100K Statewide
 - Inland Southern California needs to increase physicians by 9,344 by 2030 to achieve equity and parity
- Economic and social consequences of this crisis in healthcare access
- Momentum – Regents, donors, community, region
- Noah and the California Aqueduct
